PDAC (Parent Diversity Advisory Council) WORLD CAFÉ... On Monday, December 5th from 7—9:00 PM is the second PDAC World Café. The event will take place at Waubonsie Valley High School and the focus is Bridging Academics Building Community. The World Café is an innovative, yet simple, methodology for hosting conversations about questions that matter. This year's question is....How can I ensure academic excellence for all? As a process, the World Café can evoke and make visible the collective intelligence of any group, thus increasing people's capacity for effective action in pursuit of common aims. Each building is allotted a small number of spots for the World Café. If you are interested in attending, please let Sarah Nowak know by Friday, November 18th.

Bulls "Read to Achieve" Assembly... On Tuesday, November 29th, Clow Elementary School students will be visited by members of the Chicago Bulls organization for the "Read to Achieve" program. Students will have representatives from the Bulls organization in each of their classrooms, reading to them and leading them thru basketball themed lessons and then we will gather as an entire school for a pep rally, promoting the importance of education and literacy. Students and staff are encouraged to wear Chicago Bulls apparel on the 29th, and/or Bulls colors, red and black. More information about this event will be shared in the next week regarding this exciting opportunity!
