

Crone Middle School  
Encore Curriculum Night  
Wednesday September 17, 2008  
7:00-9:00 PM

The Crone Middle School Encore teachers invite all Crone parents to attend the Encore curriculum night on Wednesday, September 17, 2008. The Encore curriculum night will begin at 7 PM and end at 9 PM. Both parents and students are welcome to attend. This evening is an opportunity to experience, learn, and share what your children are doing in the Encore classes at Crone Middle School.

Sixth grade students have completed a form with their three Encore classes and teachers that they have this quarter. The sixth graders will be bringing this form home. All sixth grade students will rotate through the following Encore subjects at some point this school year: **Computers** (semester class), **Health** (semester class), **PE** (year class), **Art** (quarter class), **FACS** (quarter class), **Music** (quarter class), **Applied Technology** (quarter class).

We are asking the parents of seventh and eighth grade students to print out their son/daughter's schedule using the Pinnacle grading program at home before coming to Crone Middle School for this evening. Sixth grade parents may do this as well. The Pinnacle schedule should look something like this:

The Encore curriculum night uses an Open House format. Encore teachers find this to be the best way to experience and learn about our subject areas since they teach all the Crone Middle School students. There will be a table set up inside the main entrance with an introductory letter, an Encore overview booklet, and a map of teacher/subject locations. Encore teachers look forward to seeing you and are eager to share with you their areas of expertise!
