

Drop-Off/Pick-Up News

Effective 09-10 School Year:

Kendall's side drop-off/pick-up will be available to all cars, regardless of subdivision.

Kendall's front drop-off/pick-up will be available to carpoolers with three or more children only. Carpoolers will need to make a left turn out of the front circle. No right turns are allowed. Our drop-off/pick-up lines work with everyone's cooperation. Please remember to:

- Obey signage.
- Stay in cars.
- Keep the line moving.
- Both circle drives have two ways to approach. Please give one, take one when entering.
- Obey no parking signs on Pradel Dr. and Meadow Lake Dr. By doing so prevents safety concerns for students.
- Parking lot drop off is prohibited. It is unsafe for children to cross through moving vehicles in our pick up lines.

Other Related Drop-Off/Pick-Up Reminders

- Place a sign in the car window indicating the first and last names of students being picked up.
- Make sure that your children can open their own doors, buckle their own seat belts, and have backpacks, umbrellas, etc. ready to go.
- Give one, take one as you enter the circle drive.
- Use only the area between the two portable white signs for drop-off/pick-up. Pull up as far as possible, and watch for staff members to direct this process.
- Pull around and wait in front of the loading zone if your children are not ready for pick up.
- Reinforce with your children that their "job" outside is to watch for your car.
- Remain in your vehicles.
- Be patient.
