Fablehaven – Book 1

For centuries, mystical creatures of all description were gathered to a hidden refuge called Fablehaven to prevent their extinction. The sanctuary survives today as one of the last strongholds of true magic in a cynical world. Enchanting? Absolutely. Exciting? You bet. Safe? Well, actually, quite the opposite...

Kendra and her brother Seth have no idea their grandfather is the current caretaker of Fablehaven. Inside the gated woods, ancient laws give relative order among greedy trolls, mischievous satyrs, plotting witches, spiteful imps, and jealous fairies. However, when the rules get broken, an arcane evil is unleashed, forcing Kendra and Seth to face the greatest challenge of their lives. To save her family, Fablehaven, and perhaps the world, Kendra must find the courage to do what she fears most.

Fablehaven – The Candy Shop War – Book 3

What if there were a place where you could get magical candy? Moon rocks that made you feel weightless. Jawbreakers that made you unbreakable. Or candy that gave animals temporary human intelligence and communication skills. (Imagine what your pet would say!) Four young friends, Nate, Summer, Trevor, and Pigeon, are befriended by Belinda White, the owner of a new candy shop on Main Street. However, the gray-haired, grandmotherly Mrs. White is not an ordinary candy maker. Her confections have magical side effects. Purposefully, she invites the kids on a special mission to retrieve a hidden talisman under Mt. Diablo Elementary School. However, Mrs. White is not the only magician in town in search of the ancient artifact rumored to be a fountain of youth. She is aware that Mr. Stott, the not-so-ordinary ice cream truck driver, has a few tricks of his own.
