

**McCarty Elementary School Introduces:
ISAT SUPER SATURDAYS
January 31, February 7th, 14th, 21st, and 28th, 2009
9:00-11:00 a.m.**

All current 3rd, 4th, or 5th grade students are invited to participate in our ISAT preparation classes on the next five Saturdays. We have seven certified teachers who will be providing instruction, so we need to limit the number of students in attendance to 110. Transportation to and from school must be provided by parents or guardians.

Each session will be from 9:00-11:00 a.m. at McCarty. The classes will focus on reading, writing, math, science, and test taking strategies. The students will have opportunities to take practice tests that are designed around the ISAT. These tests are self scoring, so the teachers and students can readily assess what skills need to be reinforced.

This is the first time our third grade students are taking the ISAT and we would like to take this opportunity to prepare them in advance to be as successful as they can be.

Please sign the form below and have your child return it to the main office or their teacher as soon as possible. If you have questions, please call Ms. Coribio at 375-3432 or our main office at 375-3400 for further information.

**Kids First,
Ms. Earlenbaugh**

Student Name: _____ Grade: _____

Phone Number of parent/guardian: _____

_____ YES, my child will be able to attend ISAT Super Saturdays on 1/31, 2/7, 2/14, 2/21, and 2/28.
