HEADPHONES

Dear McCarty Parents/Guardians:

This year the use of individual headphones is being instituted for personal hygiene and safety reasons. Each child (GRADE K - 5) is required to purchase individual headphones which will be used on the computers.

The headphones will be stored in an individual plastic bag in the classrooms and used throughout the school year only by the student to whom they belong. The headphones will be sent home with your child at the end of the school year.

The cost of these headphones are **$2.00 each.** During the school year, if your child's headphones are lost or damaged the LMC will have a limited supply on hand for purchase.

Please return the bottom half of this form to Mrs. Johnson, LMC Director, with cash or a check **made payable to McCarty Elementary**. If you have more than one student at McCarty, you may use one form, but please indicate each student's name.
