

# Message from the Principal

Welcome to the Owen Elementary Website! We are pleased to show you the many exciting things that happen at Owen Elementary School.

Owen Elementary School opened in the fall of 2003. Owen serves the Naperville/Aurora subdivisions of Brighton Ridge, Chicory Place, Havenshire, Deer Crossing, Meadow Lakes, Mill Ponds, Springbrook Heights, Stonehaven and the Villages of West Glen. We service students in kindergarten through 5th grade. Our school mascot is the Owl and our school colors are silver/grey and purple.

The Owen staff and I are committed to educational excellence. The curriculum the teachers follow is based on the Illinois State Standards and District Standards. As a school we will assist in developing the growth of your child in the areas of academic, social and emotional development. We teach our students that Owen Owls are to be safe, respectful and responsible in their choices. We want every Owen student to achieve his/her fullest potential and become life long learners.

Owen encourages parents and community members to become involved in our school and in our PTA. We value the presence of parents and we have varied opportunities in which you can become involved. I am very excited to begin my second year as principal of this fantastic school.

Please continue to check our website for updated information. I look forward to working with staff, parents and students to provide each student with a comprehensive education that meets the needs of all our learners. I encourage parents to become our partners during this process. Education works best when the entire community participates and shares the responsibility.

Sincerely,

Jason Bednar  
Principal
