### Electronics Recycling

During the event hours, drop off electronics that are listed below. All equipment (including CPU towers) is delivered to Sims Recycling Solutions in West Chicago, for destruction only. Nothing is resold or reused. To give more residents an opportunity to take part, there is a limit of one large TV per vehicle and the organizers reserve the right to limit the amount you may recycle at this event. Items accepted for recycling are:

- **Computers and Peripherals:**  
CPU's, laptops, monitors, flat panels, keyboards, mice, cable, printers, plotters, external hard drives, tape drives, network hardware (i.e.: servers, routers, hubs), communication hardware (i.e.: modems), and subassemblies of any of the above. The recycler will not resell or reuse any computer parts – all computers will be dismantled and recycled for their base materials.
- **Data Center Equipment:**  
Power distribution units (PDU's), uninterruptible power supplies (UPS Systems), motor generator sets (MG sets), chillers.
- **Office and Telecommunications Equipment:**  
Copiers, fax machines, phone systems, cell phones, hand-held devices, projection equipment.

### Shred Event

A separate shredding truck will be on site at each location to shred your personal papers and records. A limit of five 'banker's boxes' or the equivalent will be accepted from any one vehicle. The organizers reserve the right to limit or decline to accept any material as when the trucks are full, this event will end.

After the event is over, please do not leave material at any unattended site. Each site does have surveillance equipment in use and those leaving anything before or after the event can be identified.
