Dear Members of the Longwood School Community,

Thank you so very much for your recent participation in our Fall Fundraiser. The proceeds from this event enable the PTA to support many of the programs and events offered throughout the school year, such as the *Back-to-School Party*, *Family Fun Nights*, *Classroom Curriculum parties*, *assemblies*, and to subsidize *Field Trips*.

The Executive Committee Members rely on the continuing support of all our volunteers to help us organize these events, and we welcome all questions and suggestions on how to continually strengthen our programs and membership.

Our current PTA President, Mrs. Taneshia Davis, is currently on "PTA maternity leave." As per our by-laws, the 1st Vice President who is currently Mrs. Dina Z. Lohman will be acting as Interim President until Mrs. Davis is ready to resume her duties. As of this date, questions and matters which are intended for the President should be directed to Mrs. Lohman. As always, the two other Vice Presidents, the Secretary and the Treasurer are available to answer questions regarding the committees of which they are in charge.

We would like to extend our gratitude and appreciation to Mrs. Lohman for her dedicated service to our PTA.

Respectfully on behalf of the Executive Committee,

Kathleen Gasser
Secretary of the PTA
