

National Geographic Kids Almanac Show

Brookdale Elementary School and Anderson's Bookshops are pleased to present a fun program to our third through fifth graders on **Thursday, November 12**. For those who would like to purchase some of the knowledge-building and fascinating *National Geographic* titles for children, please fill out this order form and return it to your teacher by **Tuesday, November 3** along with cash or a check payable to our school.

NEW

The National Geographic Kids Almanac

_____ \$10.50

Dare to explore—from modern day adventurers to close calls and narrow escapes. Amazing animals will take readers into the wild and into the water. Discover cultural connections from food, currency, literature and lots more from around the world. From globe trotting geography—maps, travel, and famous landmarks mean we're on the move to learning to go green and help out our threatened earth, this book is filled with chapter after chapter of fun and fabulous factoids!

Jump Into Science series: \$6.00 each

Young readers get a charming first look at basic science subjects in these delightful picture books. Each volume leads boys and girls into lively investigations of the featured topic. The imaginative mix of science and fun is sure to appeal to the 4- to 8-year old set and inspire some eager learning and experimentation.
