

5th Grade Insider

November 2-13, 2009

Reading

Our weekly reading lessons will focus on applying various reading strategies and vocabulary skills. Classes will be reading "Seeing Earth from Space", "Woodsong", "Island of the Blue Dolphins" and "Everglades".

Math

5th Grade Math
Unit 4-Division
Accelerated Math
Finish Unit 3 and Unit 3 Test on 11/3.
Unit 4-Fractions

Writing

We will continue working on revising and editing. We will also begin working on our book review unit.

Social Studies

As a culminating activity to our Explorers Project, we will be doing a grade level sharing of our Explorer Journals on November 13th.

Spelling

Study of troublesome words and phrases, words with -and AND -ent, silent letters, plurals, and ending in /ell.

Science

Classes will be doing a study of the Constellations prior to visiting the Planetarium later in the month.

Parent Notes/Reminders

Permission slips for our visit to the Planetarium sent home this week.
Permission slips and money are due back to school on November 9th.
