YOUTH MENTAL HEALTH FORUM

#WEBELONG204

Thursday, April 25th 7-9 PM

PDAC invites you to a crucial Zoom meeting addressing the pressing concerns of youth mental health. Led by Betsy Boesch, Assistant Director of Youth and Family Services at the DuPage County Health Department, this session promises invaluable insights and practical strategies.

Join us to explore the complexities of anxiety, depression, and bullying among our youth. Learn the tools to identify early signs and provide essential support.

This forum will empower you with knowledge on accessing resources at both School District and County levels. By attending, you actively contribute to creating a safer, more supportive environment for our youth.
