

2024-2025 School Year

Dear Parents and/or Guardians,

As a parent or guardian of a student at a school receiving federal Title 1 funds under the Every Student Succeeds Act (ESSA), you have the right to request information regarding the professional qualifications of the teachers who instruct your child and the paraprofessionals, if any, who assist them. Federal law gives you the right to receive upon request the following information about each of your child's classroom teachers and their paraprofessional assistants:

- Whether Illinois has licensed or qualified the teacher for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Our staff is committed to helping your children develop the academic knowledge and critical thinking skills they need to succeed in school and beyond. All of our teachers are licensed and qualified, and all of our paraprofessionals meet state qualification guidelines.

If you have any questions please contact your school's office.

Sincerely,

A handwritten signature in blue ink that reads "Louis Lee".

Louis Lee, Ed.D.
Deputy Superintendent
Indian Prairie School District #204
