Directions for our E Learning Days- Owen Elementary School

Hello students and families! Welcome to our first E Learning Day. Below you see a grid of options that all students may choose activities from during our E Learning Day. Please note that some are required so please make sure your student chooses appropriately. Each student must choose 6 activities to accomplish during their 9:05- 3:35 "school day." A parent signature is required for each finished activity. You will receive credit for the day by returning this sheet with parent signatures, along with the family feedback form that is attached.

Happy E Learning!

The goal of our E Learning Day is to provide **meaningful independent activities** for students so students are continuing their learning.

We are sharing this grid with parents via backpacks and it will also be shared on the morning of the E-learning day electronically. . Parents and students can feel free to email teachers anytime before noon to answer questions.

Parent/Guardian Page

Hi Parents and Guardians!. Please fill in the form below so we can gather feedback on how your day was. Your students should bring this form back to school within 2 weeks of the E Learning Day, along with the signed grid. This is a required component of the E Learning Day.

Student's Name and Class: : _____

What was your child's favorite E Learning activity and why?

How did your child do with the E Learning Day?

What feedback or suggestions do you have to make the next E Learning Day better?
