

Congratulations to our **58 Metea Valley student musicians** on their acceptance and participation in the Illinois Music Education Association District 9 Concert and Jazz Festivals. Our students completed an audition with musicians from approximately 50 high schools in the western suburbs. The audition is very challenging and includes collegiate level material to prepare. Being selected for this honor in a very competitive district is quite an accomplishment. These students will be performing at the Concert Festival at Dundee-Crown High School on November 11 and the Jazz Festival at St. Charles East High School on November 4.
