

Electronic Flyer Distribution for Companies Renting Facilities

Indian Prairie School District 204 has established the following guidelines for processing requests to promote for-profit educational programs and activities to parents and students. All electronic materials must be approved prior to being posted online. The flyer will be posted in a designated area on a school's website and the district's website. A link to the webpage with the flyer will be sent out once a week, for 4 weeks, on the school's and district's listserv. No information will be distributed when school is not in session. These will be the only channels for distributing program information for qualifying companies.

1. Who qualifies to participate?

Companies or organizations may participate if they meet the following:

- Have an approved building rental application to hold an educational program or activity for students at a designated district facility on file with the Building Operations Department.
- They do not qualify for inclusion in the district's e-Folder. 501(c)(3) organizations should continue to use the district's e-Folder to promote their non-profit programs and activities.

2. Posting fee

The posting fee is \$200 per school, per flyer. The flyer will remain on the district's and school's website for 4 consecutive weeks. Checks should be made payable to Indian Prairie Educational Foundation. *No refunds will be made for classes cancelled due to low attendance.*

3. Rules and guidelines

Disclaimer All materials must contain a disclaimer on the flyer with the following language *"Distribution of this material is in no way an endorsement of programs, services, activities or products by Indian Prairie School District 204."* Class registration forms and payments are to be mailed directly to the company, and not returned to the school.

Identifying information Flyers must contain information clearly identifying the sponsoring company, including contact information, class dates and times, and registration and payment information.

Applicability to intended audience Approval will only be given for programs or activities appropriate for and directed toward the age of students attending the school and are presented by for-profit companies that have rented facility space at the designated school.

Your application is complete only when your check has been received, a pdf of your flyer, the application form, and a copy of the approved building rental confirmation has been emailed to 204-Flyer@ipsd.org. Flyer(s) will be posted approximately 10 days after your application is complete.
