

July 2024

Dear Parent/Guardian,

Public Act 89-191 requires school districts to provide the parents/guardians, of students with Individualized Education Plans, a copy of the Board Policy for use of behavior interventions in our schools. Board Policy Sections 7:230 and 2:150 address board policy regarding the misconduct of students with disabilities. The Board Policy may be found on the Indian Prairie CUSD #204 website: [www.ipSD.org](http://www.ipSD.org)

A key component of PA 89-191 is that school districts also provide procedures to parents/guardians for behavior interventions in the schools. This information can be located in Educational Rights and Responsibilities: Understanding Special Education in Illinois, Chapters 9 and 10. You can access this document in two ways:

- 1) On the District website, under Student Services, Special Education Parent Guide,
- 2) On the Illinois State Board of Education website: [www.isbe.net](http://www.isbe.net), Special Education, Parents, Parents Rights Guide.

If you are unable to access a paper copy of the above mentioned documents, you may contact your school for a copy.

For further questions or concerns, regarding behavior intervention policy or procedures in our school district, please feel free to contact our District office at (630) 375-3060 or the appropriate person in your child's school.

Sincerely,

A handwritten signature in black ink that reads "Christina Sepiol".
